CONCEPT NOTE OF THE CONFERENCE

Global Capital Markets : « Expect the Unexpected : A Trilemma for Capital Markets »

For the first time, Morocco has been selected to host the annual meeting of the International Organization of Securities Commissions (IOSCO) in Marrakech on the 20th of October 2022. 3rd edition to be held in Africa, this conference will gather some of the most influential figures of capital markets.

At the end of the 47th meeting of IOSCO, the Moroccan Capital Market Authority (AMMC) will organize a conference.

This unique forum will bring together leading experts from the world of finance, economists and thinkers for a series of high-level debates and discussions to address the question of the current Trilemma for Capital Markets.
