PRESS RELEASE

THE AMMC AND THE ASSOCIATION OF MOROCCAN REGIONS CO-ORGANIZE AN EXCHANGE WORKSHOP UNDER THE THEME:

"THE CAPITAL MARKET AND REGIONAL FINANCING: TOOLS, OPPORTUNITIES AND CHALLENGES."

Rabat – 28 May 2025

The Moroccan Capital Market Authority (AMMC) and the Association of Moroccan Regions (ARM) co-organized, with the participation of the OEC (ORDRE DES EXPERTS-COMPTABLES du MAROC), on 28 May 2025 in Rabat, a joint workshop to address financing solutions provided by the capital market as well as the associated opportunities and challenges.

The event, which took place at the AMMC headquarters, drew about forty attendees, including representatives from regional councils and other regional bodies, the association of chartered accountants, industry professionals, and AMMC and ARM representatives.

This meeting provided an opportunity to examine the capital market's significant role in diversifying regional financing sources, and to explore avenues for development in the regulatory, financial, and accounting domains, with the aim of facilitating regions' access to this market. It also helped foster knowledge sharing and identify potential assistance needs from the AMMC and the ARM, as well as financing schemes tailored to the needs of local and regional authorities.

This workshop thus lays the path for increased collaboration in support of broader regional access to capital market financing. It is part of a long-term approach to help local and regional authorities accomplish their development goals.
